This year the sophomore class has been involved in quite a few activities.

They started raising money with cake raffles and are working on other attempts to make money. Getting their class rings seemed to add something to those long hours of class. The sophomores are looking forward to Summer and also being Juniors.

The Juniors were busy this year raising money for the Prom. They sold magazines and exceded their goal by a thousand dollars. During the year they also had many raffles. The Junior - Senior Banquet was a success and was enjoyed by all. There was participation in activities such as vollyball, basket ball, football, track, music and drama. Even though they are a small class, they like to have a good time and they are looking forward to being Seniors next year.

 Be loyal to your friends.  
 Be Strong enough to face the world each day. Be weak enough to know you cannot do everything alone.  
 Be generous to those who need your help.  
 Be frugal with what you need yourself.  
 Be wise enough to know you do not know everything.  
 Be foolish enough to believe in miracles.  
 Be willing to share your joys.  
 Be willing to share the sorrows of others.  
 Be a leader when you see a path others have missed.  
 Be a follower when you are shrouded by the mists of uncertainty.  
 Be the first to Congratulate an opponent who succeeds.  
 Be the last to criticize a colleague who fails.  
 Be sure where your next step will Fall, so that you will not stumble.  
 Be sure of you Final destination, in case you are going the wrong way.  
 Be loving to those who love you.  
 Be loving to those who do not love you, And they may change.

The Betty Crockers of Polk

The page features a minimalist, abstract design. A large, irregular black shape at the top resembles a stylized roof or a jagged horizontal line. Below this, a thin black rectangular border frames the central text. The word "Athletics" is centered within this frame. Below the frame, there are several more black geometric elements: a horizontal bar with angled ends, a series of overlapping horizontal bars, and a long, thin horizontal line near the bottom. The overall aesthetic is modern and graphic.

# FOOTBALL

Although the 1981 football team compiled a dismal 1-8 record, it was not an indication of the experience gained. The squad of 19, which consisted of 14 underclassmen, were usually outweighed and under experienced. The players showed their "pride" and "character" the entire season.

Some of the brighter moments in the season were the win over Nebr. Christian, even with the hour black out. Greg Dose rushing for 725 yards, Ben Redmans 35 yard gained around for a T.D., the swinging gate, and the improvement by the younger players. An expression that could be used for this team was "never say die." In the last two games the cubs scored on the last play of the game, and from long distances.

The 1981 season was again a team that worked very hard, and always gave their best at every game this past season. Although our season ended up 4-11 we did have accomplishments that should be recognized; Jane Johnson 1st team all conf, Shari Harless 2nd team all conf, Cindy Widga Honorable mention and the J.V. who took second in the Bradshaw Tournament. I would like to thank those Seniors for their enthusiasm and encouragement they gave the younger girls this past season.

The coaches have packed the uniforms away, the 2-17 record is history, but the character, pride, and determination will stay within the boys for a lifetime. For this was a year of rebuilding and learning.

A traditionally rugged schedule haunted the cubs this season. Polk lost three games to the Class "D" state champions, two games to the district runner up, and five games to Class "C" schools, one being a district champion. The cubs ended their season on a positive note though, winning two of the last three games.

Heading the team in leadership and scoring was the lone returning letter winner from last year, Greg Dose. Scoring 337 points and averaging 18 points a game, Greg was asked to carry much of the teams load early in the season. Sophomore starter Brian Tonniges came on strong halfway through the season scoring 197 points for a 12 points a game average. Seniors Paul Blender and Kevin Blase played a big role with leadership and rebounding. With Darren Shenk, Brian Dose, Craig Van Housen, and Jason Redman seeing much action, and the remainder of the varsity and jr. varsity coming back, the Polk High Basketball team should be on the upward bounce next season.
